ATTENTION OF:

CECW-EI (1110)

29 July 2003

MEMORANDUM FOR RECORD

SUBJECT: Approval of the Design, Construct and Commission (DCCx) Directory of Expertise (DX)

1. Reference ER1110-1-8158, Corps-Wide Centers of Expertise Program, 16 January 1998.
2. In accordance with ER-1110-1-8158, the Savannah District DCCx DX is approved and authorized to perform the services listed in the attached Approval Report.
3. The DCCx DX is assigned to Savannah District and consists of the following individuals: Veijo Panu (CESAS-EN-D), Peter Oddi (CESAS-PM-M), and Gordon Simmons (CESAS-EN-D).
4. The DCCx DX will maintain state-of-the-art technical expertise regarding reduction of long-term facility operation and maintenance costs in order to provide all of the Corps' customers with the best quality facilities possible. This expert knowledge includes, but is not limited to: equipment, instrumentation, strategies and concepts for design and testing of building systems; inspection techniques; specification development; formal training; operations and maintenance assistance, as well as environmental and safety issues relating to building systems.
5. The enclosed DX Approval Report documents the selection criteria and process that was used to establish the DCCx DX.
6. The DCCx DX' proponent is Gary Bauer, CECW-ET-C.

FOR THE COMMANDER:

2 Encls
